ZOOLOGY**

Activity Report

S. No.	Content	Name
1	Name of the Programme	WORLD DIABETES DAY-RALLY AND FARMING HUMAN CHAIN
2	Date & Time	29.11.2023 & 11.00 – 12.30 PM
3	Conducted by	RRC,NSS,HEALTH CENTER AND DEPT OF ZOOLOGY
4	No. of Students attended	200
5	Chief Guest	Dr K.srinivasa Rao, Principal
6	Convenor	B.R.K.Kishore, Lect in Zoology

Location: Streets surrounding SGK Government Degree College, Main Road Junction

Participants: Staff and 200 students from SGK Government Degree College

Objective:

To raise awareness about HIV/AIDS in the local community and promote preventive measures through a collaborative effort involving the Red Ribbon Club, NSS, College Health Center, and the Department of Zoology.

Activities:

Rally Across Streets:

The rally commenced at 11 am and was flagged off by the Principal of SGK Government Degree College.

Participants, including staff and 200 students, marched through the streets surrounding the college, carrying placards and banners emphasizing HIV/AIDS awareness.

Informational pamphlets were distributed to bystanders and community members during the rally.

Farming Human Chain at Main Road Junction:

Following the rally, a farming human chain was formed at the Main Road Junction.

The human chain was organized to symbolize unity and solidarity in the fight against HIV/AIDS.

Participants formed a chain, demonstrating their commitment to spreading awareness and combating the stigma associated with HIV/AIDS.

Collaborating Entities:

Red Ribbon Club

National Service Scheme (NSS)

College Health Center

Department of Zoology

Outcome:

Raised awareness about HIV/AIDS among the local community through direct engagement and information dissemination.

Fostered a sense of **community involvement and responsibility** in addressing public health issues.

Promoted solidarity and unity in the fight against HIV/AIDS by involving multiple stakeholders within the college.

Conclusion:

The HIV/AIDS awareness rally and farming human chain organized by SGK Government Degree College in collaboration with various departments and organizations were successful in engaging the college community and spreading crucial awareness about HIV/AIDS in the local area. The active participation of staff and students reflected a collective effort toward addressing and eradicating the misconceptions and challenges related to this health issue
